⁵Beginning in school year 1990-91, the Utah Legislature authorized each local school board to levy up to 0.000400 per dollar of taxable value (without voter approval, unless referendum petitions signed by the required number of voters causes an election to consider disapproval of the board-authorized levy) for class size reduction. The 1.61 percent of prior year WPU value per WPU guarantee was also increased for each board and each voted Leeway 0.000200 and covers the first 0.000800 per dollar of taxable value of the combined voted and board-authorized leeway. The guarantee yield for voted leeway without a board-authorized leeway remained at 1.61 percent of prior year WPU value for each 0.000200 for the first 0.000400 per dollar of taxable value.

⁷ Senate Bill 1001 of the 1996 Second Special Session provides that the amount of guarantee money that a school district would otherwise be entitled may not be reduced for the sole reason that the district's levy is reduced as a consequence of changes to the certified tax rate. This applies for a period of two years following any such change in the certified tax rate [53A-17a-133(3)(d)].
